LAKE COUNTY/VILLAGE OF BARRINGTON
INTERGOVERNMENTAL AGREEMENT FOR
UTILIZATION OF THE LAKE COUNTY
COMPUTER AIDED DISPATCH SYSTEM

This Agreement is entered into by and between the County of Lake, a body politic and corporate, hereinafter referred to as the "COUNTY," and the Village of Barrington, a municipal corporation, hereinafter referred to as the "CONTRACTOR."

WHEREAS, the COUNTY owns and the Lake County Emergency System Telephone Board (ETSB), an agency of the COUNTY, operates a Computer Aided Dispatch System (CAD); and

WHEREAS, the CAD is an automated police and fire call dispatch system utilizing computer access to address, incident, and resources information and the related computer hardware owned and operated by the ETSB; and

WHEREAS, the CONTRACTOR is desirous of contracting with the COUNTY to utilize the CAD for dispatch purposes; and

WHEREAS, the CONTRACTOR is ready, willing, and able to pay for all costs associated with its use of the CAD; and

WHEREAS, the COUNTY and CONTRACTOR are authorized by the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., to enter into intergovernmental agreements, ventures and undertakings, to perform jointly any governmental purpose, or undertaking, either of them could do singularly.

NOW, THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties hereby agree that the CONTRACTOR shall be allowed to utilize the CAD subject to the following terms and conditions:

1. The CAD, its systems, programs, and reports shall remain the sole and exclusive property of the COUNTY.

2. The CONTRACTOR shall pay 100% of all direct actual costs associated with CONTRACTOR'S use of the CAD including, but not limited to, report generation, licensing, mapping, geocoding, engineering, consulting, programming, hardware, software, cabling, interfaces, training, troubleshooting, maintenance and upgrades, related thereto. To the extent any such costs are incurred by the COUNTY, or the ETSB, the COUNTY shall provide an itemized invoice to the CONTRACTOR, and the CONTRACTOR shall pay on a monthly basis. CONTRACTOR'S obligation to pay its costs shall survive any termination of this Agreement.

3. The CONTRACTOR shall have no direct CAD programming access, no right or ability to modify the CAD operating system, utilities or vendor software and no CAD system

administration authority.

4. The CONTRACTOR shall have no right to work on, install or have installed any software, programs, or the like on the computer hardware operating the CAD system.

5. In addition to the direct actual costs set forth in paragraph 2 above, the CONTRACTOR shall pay, upon execution of this Agreement and on or before May 1st of each subsequent year that this Agreement remains in effect, additional annual costs of connection of \$5,000 (five thousand U.S. dollars). The CONTRACTOR shall have no right to connect to the CAD or otherwise access the CAD until CONTRACTOR has first paid in full its annual costs of connection.

6. The COUNTY, through the ETSB, shall retain exclusive right and authority to program, modify, upgrade, administer and/or otherwise alter the CAD and its systems. The COUNTY shall provide reasonable notice to the CONTRACTOR of modifications, upgrades or alterations to the CAD and its systems that are likely to impact the CONTRACTOR'S access to the CAD.

7. The COUNTY shall retain the exclusive right and authority to approve any additional agency or unit of local government that seeks access to the CAD and its systems through the CONTRACTOR. Any current or future agency or unit of local government dispatched by the CONTRACTOR, or their agents, shall be required to enter into a separate intergovernmental agreement with the County for utilization of the CAD under such terms as the COUNTY may establish.

8. CONTRACTOR shall pay all invoices and monies owed hereunder in accordance with the Illinois Prompt Payment Act. Failure of the COUNTY to invoice CONTRACTOR in a timely manner shall not effect a waiver of CONTRACTOR'S obligation to pay.

9. The CONTRACTOR shall designate in writing at the time of execution of this Agreement a single point of contact for all purposes relating to this Agreement, including queries, complaints, and invoicing.

10. The COUNTY or its designee through the ETSB, shall designate a primary contact person for receiving queries, complaints, and commendations for services provided under this Agreement. In the event of a dispute between the parties as to the extent of service or performance under this Agreement, the determination of the COUNTY shall be final and conclusive.

11. The CONTRACTOR agrees to defend itself in any actions or disputes brought against the CONTRACTOR in connection with or as the result of this Agreement and agrees to defend, indemnify and hold the COUNTY harmless and free from liability of any kind whatsoever resulting from the acts or conduct of the CONTRACTOR, their agents or representatives or employees in the performance of this Agreement or in the furtherance thereof. Further, the CONTRACTOR shall annually provide to the COUNTY a certificate of insurance detailing the

actual coverages in force and effect during the term of this Agreement. The COUNTY, its agents and employees, shall be endorsed as additional insureds on applicable policies subject to this Agreement. The insurance shall provide for written notice to be sent to the County within thirty (30) days of any cancellation or material change of said coverages. Said notice shall be sent to Department of Human Resources; County of Lake; 18 N. County Street; Waukegan, IL 60085; ATTN.: Risk Manager. The initial certificate of insurance shall accompany the executed copy of this Agreement.

12. The term of this Agreement shall be from May 1, 2003 to May 1, 2005, provided however, that either party shall have an absolute right to terminate this Agreement with or without cause upon sixty (60) days written notice to the other. However, if the COUNTY terminates the Agreement without cause, CONTRACTOR shall be reimbursed a prorated portion of the prepaid annual costs of connection set forth in Paragraph 5 above to the effective date of termination. For purposes of this Paragraph, termination with cause includes but is not limited to nonpayment of any monies owed under this Agreement, breach or violation of any of the terms or provisions of this Agreement, violation of any COUNTY licensing agreement with any third party vendor, or misuse or unauthorized use of the CAD or its related programs and systems.

13. The CONTRACTOR may accept the terms and conditions of this Agreement only by Resolution or Ordinance duly adopted by its legally recognized governing body or board.
