## RESOLUTION

WHEREAS, the number of land parcels in Lake County has continued to increase, and is now approaching 280,000; and

WHEREAS, the new tax assessment system software and its use have streamlined the process of recording assessment changes on parcels throughout the county; and

WHEREAS, the County Board has been interested in receiving the records of the township assessors sooner, so that the Chief County Assessment Office and Board of Review can perform their work sooner, with the end result being the receipt by property owners of information on assessment changes sooner in the year; and

WHEREAS, these changes and especially the earlier submission of township assessment information are creating the need to budget for 2 publication cycles in the current year, and in order to handle this increase the budget will require additional funds, and the Chief County Assessment Office has estimated that \$195,000 will be needed.

NOW, THEREFORE, BE IT RESOLVED, by this County Board of Lake County, Illinois, that an emergency appropriation in the amount of \$195,000 is hereby authorized in the 2003 budget of the Chief County Assessment Office for additional legal publications of assessment change information (budget account 101-104-1041-7905), which amount will be funded by fund balance.

DATED, at Waukegan, Lake County, Illinois, on this 12th day of August, A.D., 2003.
